Do you want to play a role in shaping our vision for the future?

In a recent IDBYTE, you will recall Dianne Murray encouraged you to take part in contributing to our future success.

Over the coming months, we will be developing TAFE Illawarra’s Strategic Framework 2016-2018 to replace Towards 2015.

As part of this process we will focus on our organisational values – what makes us ‘tick’, how we work together and why our actions matter.

The next step will be to have a number of intimate coffee conversations in each district for staff members wanting to discuss the values we need to build a TAFE for the future.

Dates, times and locations of the coffee conversations will be provided.

To be involved, email your name and district IITBISEngagement@tafensw.edu.au by midday Friday 29 May 2015.
