TAFE Illawarra students to showcase the Magic of Flowers at Wollongong Campus

Spectacular floral arrangements by Certificate II and III Floristry students from TAFE Illawarra’s Yallah Campus will be on display at Wollongong Campus on Wednesday 21 November 2012 between 9.00am and 4.00pm.

More than 20 students will put into practice floristry skills attained during their TAFE course including the preparation and display of floristry stock, assembly and preparation of floristry products and creating floristry designs.

“The magnificent array of floral masterpieces on display will depict various themes from films such as ‘Titanic’, ‘The Wizard of Oz’, ‘Tangled’ and many more,” said Dianne Heffernan, Teacher in Floristry.

“The showcase will present the talents and technical skills that the students have developed over the past twelve months and demonstrate how they have progressed from beginners to highly skilled artisans of the florist industry,” added Dianne.

“The designs featured in the exhibition will show the core techniques taught this year but they will be used in a creative and interpretive way,” said Dianne.

“All displays will be assessed as part of the students’ course completion requirements, and will demonstrate their dedication to skilled and quality floristry.”

“The showcase will definitely inspire people considering a career in floristry to enrol in a floristry course at TAFE Illawarra,” added Dianne.

The exhibition will be held on Wednesday 21 November from 9.00am to 4.00pm at Wollongong Campus.

If you are interested in enrolling in Certificate II and III Floristry courses call TAFE Illawarra on 1300 766 123.

Media are invited to interview and photograph students and their floral works. Please contact Maria Sevastis on 4222 2928 if you will be attending.
