TAFE Illawarra to Host a Breakfast at Tiffany’s Inspired Morning Tea for Breast Cancer Awareness

Students studying Applied Fashion Design and Technology at TAFE Illawarra’s Wollongong West Campus will be hosting a Breakfast at Tiffany’s inspired morning tea on Tuesday 30 October 2012 at 10.00am.

According to Tanya Scrivener, Relieving Head Teacher in Fashion the Certificate IV and Diploma of Fashion Design and Technology students have joined forces to host the special morning breakfast to raise money as part of breast cancer awareness month.

“We are so proud of the students and the fact that they came up with the concept of the ‘Breakfast at Tiffany’s’ theme after undertaking the ‘Identify Influences on Contemporary Fashion Designs and Construction Techniques’ unit. The students studied the 20th Century fashions closely and how it has influenced fashion today,” said Ms Scrivener.

“While looking into the 60’s fashion trends the students came across the movie and came up with the idea of dressing up in your favourite little black dress and adding a touch of pink to celebrate breast cancer awareness,” added Ms Scrivener.

“The students will dress up for the day in fashion inspired by the movie and the iconic character of Holly Golightly played by the beautiful Audrey Hepburn,” said Ms Scrivener.

The units of study available in the Certificate IV in Applied Fashion Design and Technology include sewing, patternmaking, grading, researching, computer and hand and fashion drawing. There is also one week’s work experience available in Sydney with a Fashion Designer or company.

“We find that the work experience component is what all inspiring fashion students look forward to every year because it provides them with a great insight to the world of fashion,” said Ms Scrivener.

For more information on any of the Fashion courses available at Wollongong West Campus please come along to a Pre-enrolment Information Session to be held on Saturday 10 November at the Recreation Centre (Building X), Foleys Lane, Wollongong.
