Love helping others?

TURN YOUR PASSION INTO A CAREER!

If you’re aged 17 – 35 you could receive fee-
FREE training and valuable work experience in
the aged care and disability sectors, through
the Young@Heart program. The program
enables students to gain credit towards a
Certificate III in Individual Support.

Benefits include:
• Training in six modules of the Certificate III in
  Individual Support, with work experience at
  an appropriate facility
• Six weeks of training and one week of work
  experience, starting in February 2016. The
  program will run on Mondays, Thursdays and
  Fridays, 9.00am - 3.00pm
• Learner support and mentoring as needed.
